INVITATION

It's an great honor to host 'The 1st Asian Hip Arthroscopy Cadaver Meeting'. Until 2012, We hosted '5th CNUH Cadaver Workshop' and from this year, we change the title to Asian meeting with foreign attendees (Japan, Malaysia, China, and Taiwan). This meeting will take 2 days. We will have discussions and lectures about arthroscopic practice on cadavers on the 1st day, and about the latest knowledge on hip arthroscopy on the 2nd day.

I deeply appreciate your concerns and encouragements for 'The 1st Asian Hip Arthroscopy Cadaver Meeting', and please honor us with your presence and offer words of encouragement and advice.

July, 2013
